Brief Statement of Candidate's Program

(Kindly write below what you would like to contribute to the ICP and to the improvement of the country's chemistry profession should you win a seat in the board of directors.)

I will continue to introduce the importance of chemistry profession, its application to our daily lives and to implement what is being undertaken stated in the Chemistry law. Thus, maintaining our environment free from harm through monitoring and collaboration with other agencies in the proper disposal of chemical waste and other wastes as well.

To reach out the youth as early as in primary learning to take our noble profession, BS Chemistry as a challenging course in the university.
