Please fill in all the information on this page.

Sector (Mark with X)		Academe		Government	x	Industry
---------------------------------	--	---------	--	------------	---	----------

Name of Candidate:	Maria Carmela Q. Capule, RCh, MPS, Ph.D.
Company / Institution:	CRL Environmental Corporation Analytical Support Services for Environmental Technologies, Inc. (ASSET)
Position in Company / Institution:	Chief Operating Officer (CRL) Compliance Director/Assistant to the President (ASSET)

Brief Statement of Candidate's Program

(Kindly write below what you would like to contribute to the ICP and to the improvement of the country's chemistry profession should you win a seat in the board of directors.)

Advocacies:

1. Professional enhancement and development of chemists and chemical technicians through provisions on trainings, workshops, seminars and mentoring in laboratory accreditations and auditing, health, safety and environment
2. Increase awareness, promote industrial hygiene practices and applications in workplaces by safeguarding chemists and chemical technicians against physical hazards, chemical hazards, biological hazards, physiological hazards and ergonomics.
3. Collaborations, linkages and sharing of best practices and best available technologies on laboratory safety and environment
4. Support chemical testing laboratories to raise high quality and meet international standards in laboratory accreditations; strengthen quality assurance and quality control of chemical laboratories
5. Support and strengthen Chapters' memberships, missions, goals and programs.
6. Promote chemistry professions to students through career development programs
